INFO / AGREEMENT

- The fee for participating is going to be 300€ for food, accomodation and workshops.
- I have read all the infos here:
www.easaswitzerland.ch
- I also checked out EASA TV about previous EASAs: www.vimeo.com/easatv
- I understand that EASA is organized by a voluntary team of students from Switzerland who have spent months organizing EASA 2019 to host 500 students, providing food, accomodation and the EASA program.
- I can survive cold showers and have no problems to stay in my sleeping bag in a large room / in army tents on a mountain together with all other 500 students.
- I am hereby informed, that all selected team members will be invited to 2 pre-meetings in Vienna to prepare each other for EASA.

APPLICATION TASKS

#1

introduce yourself

in a short video and tell us, why you want to be part of this years EASA!
(max. 40 seconds, German/English)

#2

speak about tourism without words.

20 seconds video.

This year's theme TOURIST will explore architecture as part of the larger global/local problem of tourism, mobility, transit and impact on culture and place. Your submission related to this year's theme can be composed in any method that you feel appropriate. easaswitzerland.ch can help you with further information here.

#3

bonus questions

open format (somewhere here / extra A4 page)

- > List five things you need as a Tourist.
- > List five things you need as Hannibal crossing the alps.
- > Give us an idea: How should we represent Austria and perform as Austrian team on National Day? (=EASA tradition, like a carnival)
