APPLICATION TASKS

introduce yourself & your apathy

....in a short video and tell us, why you want to be part of this year's summer event and what you expect from EASA! (max. 1 minute)

apathy comic

This EASA's theme is 'Apathy'. What do you consider as apathy? How would you draw it? Show us your own interpretation in forms of a little comic. No worries, we don't care about your drawing skills, but rather about your ideas...

bonus task

Give us an idea:
How should we perform & represent Austria in terms of Apathy on the National Day?
(This is a tradition on EASA, where all National teams present themselves and their home countries – a bit like a carnival).
